Roberts and the five to eight conservatives voted to allow gay marriage on the grounds that states must follow the Constitution of the United States, not whether a law that the court says was passed by people elected on election night is constitutional.. Same-sex marriage was legal in 23 states at the start of 2013. The vast majority of states, but not Rhode Island, remained opposed. Twenty states and Washington, D.C., still have bans against same-sex marriage. [Greenturtlegirl-3.avi enanitos idiomas qui](#)
